➤ From The President

Here we're looking at another summer coming up, thinking how good it's going to feel putting our feet into familiar bindings and grabbing a tow rope. Let's hope we have a summer filled with warmth and not what we got last year. As for me, I love hot and can't wait to feel some.

This summer will bring something new to the W.W.S.F. In August at Tommy Bartlett's, we're going to have the first 10 inductions into the Wisconsin Water Ski Hall of Fame. All the names introduced at Think Tank will become official charter members of the Hall. By June 1st, the walk way at the Dells will be completed and ready to showcase the Wisconsin Water Ski Federation. Our three sports divisions will have a panel each to showcase their sport. The W.W.S.F. will have a panel to let people know who we are. The Hall of Fame panel will showcase the best of Wisconsin Water Ski Pioneers - Officials - Competitors. Stay tuned for more details coming by mail to your club's P.O. Box. There will also be the same information given out at the three state tournaments.

For those of you who missed Think Tank this past March, really missed a good "happening". This year was our largest turn out ever. And get this, we had just over 20% in attendance that were from out of state. For water skiers, Think

Tank is the place to be in March. Try us next year if you haven't before.

In closing I want to wish you all a great Ski Season. Please be safe, we need all of you in the W.W.S.F. Again this summer, I'm going to try and see some of your shows. Last year I got a couple in and enjoyed what I saw. If I don't see you, have a good one.

James Babcock, President

➤ Editor's Page

Again I want to thank everyone who helped with articles this year so far. I still could use more. All the pictures in this edition were supplied by Gary Damp, thanks.

COVER: James Babcock

If you are going on vacation in Wisconsin or just want to do something different, take in a ski show besides your own. Here are the cities you can find a Wisconsin Water Ski Federation member ski club. The support you may give another club may in the long run help us all.

➤ Tournament News

27th Annual Wisconsin State Ski Show Tournament July 16th, 17th & 18th, 1993

The Aqua Skiers of Wisconsin Rapids will once again host the Annual Wisconsin State Show Tournament. The event will again be held on Lake Wazoocha, just east of Wisconsin Rapids. This year's tournament will again spread three divisions of competitors and the events competition over three days.

Events Competition

There are plans to host an events competition again this year. The events will include Freestyle Jumping, Slivel Skiing, and Doubles Competition. The Wisconsin Champions will have the opportunity to compete in the National Events Individual Competition in Janesville at the Show Nationals on Aug. 13.

Alcohol

A "Beer Garden" will again be used. **NO ALCOHOLIC CARRY-INS WILL BE PERMITTED!** Due to past circumstances and at the request of the WWSF Board of Directors, all alcohol consumed at the tournament will have to be purchased and drank within an enclosed beer stand. A section of the beach and bleachers will be included in the beer garden area. Law enforcement officials will monitor all side entrance gates for violators. **THERE WILL BE NO EXCEPTIONS - THIS WILL BE STRICTLY ENFORCED!**

FOR SALE

Secretaries Needed For State Show Tournament

The Wisconsin State Show Tournament needs secretaries to help the judges at the tournament on July 16th, 17th & 18th in Wisconsin Rapids. To qualify as a secretary, you must...

1. Be an AWSA member.
2. Have a good knowledge of AWSA show rules.
3. You may not secretary for clubs in the same division that you/your family are participating in.

Please contact: Bob Marx, Tournament Director, 3720 Lake Ave., Wis. Rapids, WI 54494 or call 715-424-2034 after 9 p.m.

Aquaduck Wins The Gold

Summer show skier becomes a winter figure skating medalist. Tim Mohr, skier for the Brown's Lake Aquaduck Ski Show, won two gold medals in figure skating this winter at the Wisconsin Badger Winter Games in Stevens Point.

Tim started ice skating in late 1991 in an effort to "keep in shape" for the next ski season. But it soon became more than an exercise in fitness and even the 1992 ski season found him doing both - skiing and skating. Being a true competitive water skier, he ventured into the world of competitive figure skating and walked away with two gold medals: one in man's free style figure skating and one in man's technical program. One thing for sure, Tim said, in figure skating the male/female ratio is about 1:100.

What will Tim do in 1993? Ski? Skate? Ski & Skate? Guess you will have to ask Tim that!

ATTENTION ALL W.W.S.F. MEMBERS

Some time Friday night at Think Tank, the W.W.S.F. banner that was hanging in the hall near the banquet area disappeared. If you have any information as to its whereabouts please contact President Jim Babcock at (715) 845-1417. If it is in your possession, please mail it to Jim at 1006 S. 5th Ave., Wausau, WI 54401. No questions will be asked. This banner was a costly expense to the Federation and we would appreciate its return.

Thank You,
W.W.S.F. Executive Board

➤ Think Tank Thank You

Thank you to all those people who helped with registration at Think Tank. I feel registration on Saturday morning moved along quite well. Thank you to all those early risers that helped out. It made my job a lot easier.

Registration Chair,
Kay Babcock

Dear Think Tank Staff,

Well Done! Think Tank was well organized. You all deserve a big Thank You.

Sincerely,
The Biever Family

Think Tank Seventeen Volunteers
Thank you volunteers for all your help introducing speakers, door monitoring, selling raffle tickets, taking banquet tickets, and collecting money at the door for the dance. Without your help, Think Tank would not have run as smoothly as it did. Your help was greatly appreciated.

Thank's Again,
Terry Pastorski

American Skier

We are proud to be the exclusive dealer for American Skier tow-boats in south eastern Wisconsin. From first sight we were impressed with the quality of American Skier, but quality is not the only impressive fact. In today's competitive two-boat market one must compare quality and price. Simply, the more you know about American Skier, the more value you will find.

You've heard of KINETIC for casual clothes.
Now we will outfit your team, top to bottom, for a
cleaner, more professional look, the KINETIC look!

IT'S TIME TO GET KINETIC!

ENTROPY

IT'S TOUTED AS THE PREMIER WATER SKI OUTBOARD BY A GUY WHO DOESN'T EVEN WEAR WATER SKIS.

When barefoot champ Mike Seipel wins a tournament, and he happens to win quite a few,

acceleration, plus terrific top end performance. And our special offset crankshaft delivers even 60°

he's invariably behind a Yamaha.

Yamaha is the official outboard of the American Water Ski Association, the official outboard of the U.S. Water Ski Team and the official outboard of the Ski Show Nationals, not to mention the National Water Ski Championship and the U.S. Open.

Okay, so maybe you're not impressed by the word "official." We have to admit, it's a bit pretentious. But you can bet your ski boat there's nothing pretentious about the guts of our two hottest water ski outboards, the Pro V 200 and Pro V 150.

To get you up on your skis with unsurpassed acceleration, both Pro V models feature a special gear ratio — 1.86:1 on the Pro V 200, a 2:1 on the **YAMAHA** Pro V 150. A wide 20° trim range provides them with additional out-of-the-hole

firing for unsurpassed smoothness at all speeds.

Now, if some Pro V owners think "pro" is short for "protected," we can't blame them. After all,

both the Pro V 200 and the Pro V 150 are protected by Yamaha's patented Precision Blend® oil injection, which assures the right amount of oil at all times.

Both also feature two multi-function digital gauges which, in addition to calling out engine functions, warn of low fuel, low voltage and high temperature.

And both come equipped with the best protection of all: an exclusive, two-year limited warranty.

So whether you're a seasoned barefooter, or you're just getting your feet wet, consider Yamaha.

For the name of the Yamaha dealer nearest you, call 1-800-526-6650.

EXCLUSIVE TWO-YEAR LIMITED WARRANTY.

YAMAHA
Expect a lot.™

Member of American Water Ski Association
